Praise for Sam Cruz's Infallible Guide to Getting Girls

"A story of friends, love, sex, and relationships, Sam Cruz' Infallible Guide to Getting Girls will make you laugh, root for these fantastic characters, then laugh some more."

– Andrea Thompson, *The Bookish Babe*

"Even thou Sam Cruz' Infallible Guide to Getting Girls is a fun take on sex and you do need a sense of humor to take it in stride, I recommend it as fantastic read, because at the end, Sam has to look at life's truths, and Tellulah Darling gives a serious lesson learned for Sam."

– Deb Wentlein, *I Heart YA Books*

"Sam and Ally are high school seniors, and they *gasp* actually talk like high schoolers. Their crude, profanity laden humor was, well, perfect for the age range. They talked about sex (and lots of it). It was the first YA book I've read in a long time that actually felt real to me."

– Brighton Walsh, Author *Season of Second Chances, Caged In Winter*

"For me, the greatest aspect of this book was how genuine the characters felt. They're high school seniors and for the love of all the sparkling princesses, they acted like actual high school seniors."

– Christina, *The Book HookUp*
