### **Praise for Get Real**

"Not only does she build a great, character driven story but the addition of the magic and how it ties everyone together only adds to the story. If you are looking for a fast paced story with interesting characters, a bit of magic, and a bit of romance...definitely consider checking this book out."

–Erin, *Fiction Fare*

"It has one of the best romances I have seen in a new adult paranormal or fantasy. The storyline is utterly engaging and the writing is perfect. ... One of the best books I have read this year."

–Michelle, *Book Briefs*

"If you love to laugh, swoon, and enjoy a great story with action, suspense, mystery, and a dash of magic this book is perfect for you."

– Chanpreet, *Confessions of a YA and NA Book Addict*
