Praise for My Ex From Hell

"I'm not sure that this book could have been more perfect. Sophie Bloom... I'm not even sure how to describe her other than to say I wish that she and I were friends in High School... I think it would have been a whole lot more fun, and a lot more exciting."

– Jaime Arkin, *Fiction Fare*

"It's a breath of YA fresh air and so fun to read. I adore Sophie and her attitude, she's smart and considerate yet stern and determined. She is quirky and surprisingly her thoughts are kinda violent so she's a "bad A" too not to mention her, Hannah and the adorable Theo are hilarious! ... love Greek Mythology and this is a great spin on it completely unique I think and I LOVE IT!!"

– Shayna Varadeaux, *Shayna Varadeaux Books*

"It's a relief to get some sense of humor in a story that has a mix of mythology, magic, and romance. I felt that the young adult books were are starting to blend together and this one definitely stands apart because of the writing and lighter tones that kept me laughing. There is a ton for readers to enjoy, with side characters that stand out, action packed fight scenes, magic, great villains and of course hints of romance!"

– Kristen, *Seeing Night Reviews*

"Full of modernized mythological adaptations (it was cool recognizing mythological figures along the way!), fantastically relatable characters (give or take the magic), and dialogue so witty that you have to pause your reading, Darling's novel is a must read young adult novel."

–Dayla, *Confessions of a Book Addict*
